Education, Healing and Inspiration

Message from Ted

Dear VCC Community,

I've been rubbing elbows with the likes of Catherine Austin Fitts, Dr. Paul Thomas, Dr. Pierre Kory, Dr James Lyons-Weiler, Dr. Brian Hooker and others at the Children's Health Defence conference in Savannah Georgia this past weekend. As a result, I've not been able to put the Choice Insider together this

week. I look forward to sharing my learnings and take aways from the conference with you next week. In the meantime I encourage you to check out Todd Harris' new documentary - The Big Picture. Dr. Andy Wakefield showcased his new documentary - Protocol 7 over the weekend. Another powerful expose of our captured medical system. I look forward to connecting with you all next week.

PS. I also encourage you to check out the apology from the Prime Minister of Canada in this month's Druthers.
