Re: CTV Awarded VCC Media Award

Dear Ben Mulroney,

On behalf of the Board of Directors of Vaccine Choice Canada, I am writing to inform you CTV has been awarded our 2016 media award. The award titled 'Adding Insult to Injury' recognizes media entities that continue to disseminate deceptive, distorted and dishonest information pertaining to the topic of vaccinations in Canada.

CTV earned the award as a result of its unwillingness to address incorrect information and misrepresentations made on CTV's *Your Morning* program of October 18, 2016 entitled, *The Anti-Vax Movement: Canadian Pediatricians Weigh In*.

CTV failed to make a public correction of the inaccurate statements in this program or apologize for any misunderstanding this information may have caused in spite of being provided with accurate information and documentation.

This failure by CTV undermines confidence in the CTV and Bell Media as credible sources of information as pertains to the topic of vaccinations. These actions are a disservice to all Canadians, especially those children permanently injured and killed by vaccines.

A hard copy of the award is enclosed. All award winners will be posted on the Vaccine Choice Canada website.

Sincerely,

Edda West, President of Vaccine Choice Canada
