

COERCION IS NOT CONSENT

Do You Hear the Coercion?

"The vaccine passport requires people be vaccinated to do certain discretionary activities such as go to restaurants, movies, gyms, not because these places are high risk, we're not actually seeing COVID transmission in these settings. It's really to create incentive to improve our vaccine coverage...

The vaccine passport is for non-essential opportunities and it is really to create incentive to get higher vaccination rates."

Dr. Patty Daly, Vice President, Public Health
Chief Medical Health Officer, Vancouver Coastal Health
