

FREEDOM RISING

Are you concerned with the current assault on our individual rights and freedoms? Do you think governments around the world have exceeded their rightful authority? **You are not alone.**

The **Freedom Rising** website includes a directory of allies around the world who are already standing up to protect and uphold our inherent rights.

Rise up and seek truth, liberty and justice.

**Join these freedom warriors and take
action in your community!**

We invite you to make liberal use of high-quality **Freedom Rising** graphics. These are available for download to all individuals, groups and organizations to display on their websites, social media platforms, posters, t-shirts and other materials.
