Thank you for your letter of May 13, 2016, and the subsequent email of May 14, to the Honourable Dr. Eric Hoskins, Minister of Health and Long-Term Care, regarding an Order for Suspension from Attendance at School sent by the Medical Officer of Health of Hastings Prince Edward Public Health.

Ministry staff have contacted Hastings Prince Edward County Public Health regarding this matter. The ministry has been informed that the matter has been corrected and that you have received a response from the Medical Officer of Health in this regard.

As this was an error in the letter developed by Hastings Prince Edward County Public Health, it would not have affected similar letters issued by other public health units.

Thank you for bringing this to the ministry's attention.

Sincerely,

J. King
