Dear Mr. Kuntz,

Pat Perkel passed along your request for an appeal to the recent National NewsMedia Council decision not to proceed any further with your complaint. As president and CEO of the NNC, I have accordingly considered your request seriously but must tell you I agree with what Ms Perkel wrote you. I see **no** valid reason, from the mandated NNC perspective, to pursue this matter further.

I understand that will be a disappointing response.

Yours truly,

John Fraser
