

PRINCIPLES OVER PARTY

It is time that we ask our aspiring politicians the tough questions of where they stand with regards to our inherent and constitutional rights, vaccine mandates and coercion, vaccine passports, forced masking, forced testing, travel restrictions, and forced quarantine.

**Ask your candidate to answer the questions on the
VCC Position Paper - www.bit.ly/12QuestionsYesorNo**

**Vote for the candidate who will stand up and staunchly defend
our inherent and constitutional rights and freedoms.**
