64 to 68 Vaccines

---

**Did you know vaccination is VOLUNTARY in Canada?**

As Health Canada explained years ago: “Unlike some countries, immunization is not mandatory in Canada; it cannot be made mandatory because of the Canadian Constitution...legislation and regulations must not be interpreted to imply compulsory immunization.”

VCC May 31, 2017 BC • Saskatchewan Schedule

Hyperlinked pdf available on our website **www.vaccinechoicecanada.com**
Immunization programs for all Saskatchewan children (ages 2 months–17 years) are delivered by public health nurses at regional clinics or in schools.

Parental Consent Forms and information on Mature Minor Consent for 13–17 year olds are found here: https://www.saskatchewan.ca/residents/health/accessing-health-care-services/immunization-services#immunization-forms-and-fact-sheets
