

# *Incompetent* or CRIMINAL...

The prime minister, premiers, elected officials  
and medical officers of health **work for you...**

...but their unlawful, illegal and unethical  
policies and mandates  
**work against you:**

- ✓ Breakthrough cases are up
- ✓ Hospitalizations are up
  - ✓ Vaccine injury is up
  - ✓ Suicides are up
- ✓ Mental health crises are up
- ✓ Business closures are up
- ✓ Division in the community is up
- ✓ Family break-ups are up
  - ✓ Fear is up
  - ✓ Vaccine boosters are now required
  - ✓ Masks are still required
- ✓ Social distancing is still required
- ✓ Proof of vaccination is still required

*When will we – and they –  
admit that what they are  
doing isn't working?*

**It's time we say**  
**NO and start**  
**living freely.**  
**Again.**
