

A photograph of four diverse students sitting on a grassy lawn, engaged in a study session. From left to right: a Black man wearing a grey flat cap and a light-colored checkered shirt, holding a notebook; a woman with long dark curly hair wearing a white polo shirt with pink and blue accents, gesturing with her hand; a man with a beard and long hair tied back, wearing a grey hoodie, holding an open book; and a woman with long brown hair wearing a white t-shirt and blue jeans, also holding a book. They are all looking towards the center, appearing to be in a collaborative discussion. The background is a lush green park with trees and a bright sun creating a warm, golden glow.

What about the Covid shot?

Shouldn't we make an informed decision?
