

Our Right to Informed Consent

Vaccination is voluntary in Canada.
COVID-19 vaccines are in Phase III clinical trials.

This means all COVID-19 vaccines are considered experimental and unapproved.

The citizens of Canada are protected under the medical and legal ethic of expressed informed consent and are entitled to the full protections guaranteed under:

- **Canadian Charter of Rights and Freedoms (1982) Section 2a, 2b, 7, 8, 9, 15**
