

UPDATE: Australian Vaccination-risks Network

AVN.org.au

The Australian State of Victoria is effectively under a state of martial law. The government has imposed Level 4 restrictions* which include:

- Acts of parliament can be ignored.
- Citizens are restricted to their homes and allowed to go out only one hour per day for exercise and medical appointments.
- Police may enter private homes without the permission of the owner and without a warrant.
- A curfew between 8:00 PM and 5:00 AM, except for "work and essential health care or safety reasons."
- Mandatory face coverings anywhere outside one's home, even in open spaces when one is alone.
- No one may go to any home other than their own, except to give care.
- Police check points.
- Papers required to indicate legal authorization to leave home.
- No visiting of friends and family.
- Food must be purchased within a 5 km radius.

Australia's COVID Facts

As of August 14 2020, the number of deaths attributed to all of Australia is 361. No one under the age of 30 has died. Most deaths occur in elder care facilities.
